Region Douro Portugal

Producer Grau Baumé

Grau Baumé established in 2008 positioned as a signature wine producer in a very small scale Douro Doc wines, with outstanding quality standards. Buying grapes from different producers from distinct areas in the Douro demarcated region in a way that we can test the influence of the different terroirs in the grape varieties, capturing the multi personalities of Douro into different wine profiles, this is our philosophy. The Grau Baumé UNDO white 2017 is our suggestion of a more natural wine without filters.
